Board Meetings (2019-20)

Mar. 25 '20

May. 16 '20 (Annual)

Annual Shareholders Meeting

The Annual Shareholder's Meeting of the Oak Trail Estates Mutual Water Company will be held on Saturday, May 16, 2020 at Saint Marks Episcopal Church in Los Olivos. The Water Company meeting will commence at 9:30 AM. The annual meeting of the Oak Tail Estates Homeowner's Association will follow at 10:30 AM. All members are encouraged to attend.

Board approved new water meters

At the January 22nd meeting of the Board of Directors, the Board approved a measure to replace all existing older mechanical water meters on the property of shareholders with state of the art meters at no expense to the property owners. Installation of the new meters is anticipated to be completed before mid year.

The new devices will provide a number of advantages over the older meters. In addition to recording more accurate readings of water usage at each property, it also will provide owners a more effective means of detection of otherwise non-obvious underground water leaks.

The Watermaster will discuss this in more detail at the Annual Shareholders Meeting.
